THE FUTURE IS foamtastic

The New Era Of Comfort Begins Here.

Posture Pro | Vibe x | Softopedic 2.0 | Tuff 2.0

For every kind of sleep-er.

Century presents Foamtastic, a whole new range of mattresses that are here to be your sleep-partner for the rest of your life. Well, almost! Made from next generation Polyurethane foam technologies to give you immense comfort, this new launch is a world class range of mattresses designed for every kind of sleep, need, and body-type.

The Foamtastic range of all foam-mattresses come in four varieties, each with its own set of specifications and need-fulfillment. What makes this diversity of mattresses is features like

POWERED BY
COPPER GEL TECHNOLOGY

Stay cool when you sleep with our Copper infused foam that absorbs moisture. Copper also has natural antimicrobial properties that keeps your mattress free from germs and viruses.

All Century mattresses come with the CertiPUR certification, that ensures the highest levels of purity for our mattress.

CENTURY
PROTECT
RECOMMENDED BY
NATIONAL HEALTH ACADEMY

Our mattress has been recommended by the National Health Academy to ensure that your health is always taken care of when you sleep on a Century Mattress.

Every body is unique and our range of mattresses comes with the Contour Foam technology that adapts to the shape of your body.

Foamtastic Posture Pro Keeps the back in shape.

Your hunt for an orthopedic foam mattress with perfect spine support ends here. Posture pro provides the best back support, aligns your spine and body and ensures you a great sleep posture.

It is a right mix of rebonded foam, ortho foam and memory foam. The memory foam at the top conforms to your body shape, the ortho foam and rebonded foams ensure the firmness and support. The transition layer of the all new proprietary copper gel infused foam protects the mattress from over-heating and also from microbes.
